

COUPON POLICY

Thriftway accepts only original manufacturer coupons, original coupons from the Thriftway ad and coupons from our Coupons.com page. No photocopied or visibly altered coupons. No other internet coupons are accepted.

Thriftway accepts one coupon per item per transaction, not to exceed the price of the product. The coupon must be less than the price of the item after all discounts have been applied. There will be no cash back for coupons with a value higher than the item's purchase price. All discounts must be applied to items prior to coupon redemption.

Free item coupons are redeemed for the price of the item at the time of purchase. No more than one coupon will be accepted with free item promotions. Coupons must meet Thriftway's coupon requirements as stated.

Coupons must scan properly, and must be presented along with the item purchased. Coupons must show expiration date and be presented prior to this date. Thriftway does not match or accept competitor coupons or offers. Thriftway reserves the right to limit quantities.

All transactions are subject to state and local tax laws. Taxes are applied prior to coupon reductions.

Thriftway reserves the right to amend, modify, or cancel the above policies.

Contact your local Thriftway for each store's specific coupon policy regarding the doubling of coupons and coupon limits.
